**My Vision** for the future of the Town of The Blue Mountains is based on extensive community input and includes the following three priorities:

- (a) Inclusive and Respectful Communications to meet the needs of our diverse community;
- (b) Environmental and Economic Sustainability through responsible growth;
- (c) Public Service Excellence and fair taxation for all.

*“Our future is about more than jobs, dollars and growth. It is about making a home for present generations and preparing a place for those of the future. It is about young families finding new opportunities and retirees finding a wonderful lifestyle. It is about understanding the immense economic value of protecting our natural environment and preserving the rural and agricultural sectors.”* (from Red, Hot & Blue, 2010)

## As Your Deputy Mayor,

I will be responsible to ALL citizens and in all decisions, I will take into consideration the unique character and history of all the villages that form the Town of The Blue Mountains. I am not affiliated with any locally-organized political action group; therefore, I remain open to all perspectives.

I will bring nationally recognized leadership experience and innovative thinking to the process of decision-making and problem-solving. Proven leadership and experience at local, provincial and national levels, coupled with qualifications in Sustainability, Governance, Human Resources, Industrial Relations, Mediation and Negotiation have prepared me to think critically and act responsibly.

I will always check facts and come well-prepared. I look forward to working with expert advisors across our community to help make effective decisions for the environmental and economic sustainability of the Town of The Blue Mountains.

If privileged to represent you as your next Deputy Mayor, I will collaborate with Council, Staff and the Community to implement the goals in *Red, Hot & Blue* and *The Sustainable Path*, two documents created by “*The People of The Blue Mountains and Their Friends*”.

Thank you,

**Odette Bartnicki**
