Paul Mitchell

For Deputy-Mayor of
The Blue Mountains

My great grandparents settled in Grey County in 1853 and I was born in Owen Sound. I have lived in Thornbury twenty-three years and retired with over forty years of business experience in the Automotive After Market and later my wife and I operated Lights Plus on Bruce Street. Carole and I have been married for close to fifty-three years, with two sons and five grandchildren.

I have attended most council meeting over the past twenty years so I am well aware of how municipal government works. I know what is required of a Town and County Councillor.
