

2020 Damon Allen Celebrity Golf Tournament in Support of the Blue Mountain Village Foundation Event

Monterra Golf COVID-19 Protocols

We are pleased to host you for the 2020 event and want to ensure everyone has an enjoyable and safe experience at the event. This letter will inform you of the COVID-19 Protocols we have established for this event which are designed to keep our staff, all participants and volunteers safe throughout the day. It is very important that everyone abides by our rules to ensure we always maintain physical distancing before and after the round.

Masks are required to be worn by every participant, staff member and volunteer in the Monterra Golf Area before the shotgun begins. We will have carts distanced apart, but since we will have 80 people gathering in a relatively small area, this is a requirement to host the event. Once you are on the golf course, you may remove your mask. Reminder, masks are required in all buildings and washrooms at Blue Mountain Resort and Monterra Golf.
