Blue Mountain Village Foundation (BMVF) – Annual Charity Golf Event Immediate Release – October 20, 2025 | The Town of the Blue Mountains

We are thrilled to share that the 21st Annual Blue Mountain Village Foundation Charity Golf Event, held on September 26th, 2025, at the beautiful Monterra Golf Course, raised approximately \$84,000 in support of local charitable community initiatives! It was a picture-perfect bluebird day filled with energy and generosity, starting with breakfast sponsored by Sunset Grill and lunch courtesy of Tim Hortons. Guests enjoyed a fun day of golf, followed by a lively cocktail hour, a gourmet dinner presented by Blue Mountain Resort, fantastic entertainment, exciting prizes, and a successful silent auction.

THANK YOU to our incredible Lead Sponsors — Blue Mountain Resort, Monterra Golf Course, and the Blue Mountain Village Association — for your unwavering support of the 21st Annual BMVF Charity Golf Event. We are also deeply grateful to our Corporate Sponsors: Aragon Restaurants, Coca-Cola Canada Bottling Ltd., GFL Environmental Inc., Rocky Mtn Chocolate, Sunset Grill, Town of The Blue Mountains, and Tripemco Insurance Group. Your generosity helped make this event such a success. Special thanks as well to all of our Hole Sponsors, and our Print and Media Sponsors (see below) — your contributions truly made a difference!

On behalf of the Board of Directors of the Blue Mountain Village Foundation (BMVF), we extend our heartfelt appreciation for the generosity of our community, who came together for a day of play as guests, sponsors, and donors at the 21st Annual Charity Golf Event. As Event Director, Deb Piggott shares, “Sponsorships and donations from organizations and businesses help us raise funds to support this community and the vital charities within it. Together, we continue to transform lives and uplift this community, ultimately making this area a better place to live, work, and play.”

The BMVF awards grants to charitable organizations across the South Georgian Bay Region — including Collingwood, Wasaga Beach, Stayner, Town of the Blue Mountains, Meaford, Duntroon, Singhampton, Kimberley, and Creemore — whose programs address key social gaps. Through community engagement, advocacy, fundraising, and program delivery, the BMVF supports initiatives in health, education, the arts, environment, recreation, family support, and more. To date, we have raised over \$2 million, which provides meaningful and much-needed services in our region..

Applications are now open for the BMVF Winter 2025/26 Grant Funding Program, and we encourage non-profit charitable organizations to apply before the January 23, 2026, deadline.
